

WILLOW
BROOK
PRIMARY

wonderful
days at my
fabulous
school

this is where we make

Welcome to Willow Brook Primary, a warm, welcoming school that really does have the wow factor! Willow Brook is a vibrant and exciting community where pupils are given wonderful opportunities to learn, develop and shine.

new friends and learn about life"

All children flourish in our Early Years. They have excellent relationships with staff and it is normal for children to exceed their expected levels of progress. Willow Brook provides a happy and secure environment in which to learn, and our pupils enjoy their time at school so much they don't want to leave!

“The indoor and outdoor areas are attractive, well organised and well resourced. They are designed to capture children’s imagination and encourage them to **develop a love of learning.**”

Ofsted, June 2017

"We discover the magic"

There is generous provision for the Early Years Foundation Stage, with spacious classrooms and a dedicated outside learning area that enables learning to happen both inside and outside the classroom.

and wonder of nature, science and art”

The exciting curriculum is based around the seven Early Learning Goals and the characteristics of effective learning, and is enriched with a wide range of other activities including: music, computer science; assemblies; performance; trips and outings.

The Early Years Foundation Stage at Willow Brook includes Nursery (3 to 4 year olds) and Reception (4 to 5 year olds). Children can begin school from 3 years, and are able to attend on a part-time or full-time basis during the Nursery Years. School is full-time in Reception when children reach the age of 5.

Parents and younger siblings are welcome, too! We have frequent 'stay and play' sessions when we invite parents to learn with their children, as well as parental workshops, celebration events and the opportunity to join our wonderful PTA and help run Summer, Spring and Winter fairs and other events.

Every pupil is supported to become a thoughtful, caring and creative individual, fully prepared to take their next steps towards a successful future.

Each child has a dedicated Key Worker who is responsible for constantly evaluating their progress and development. This ensures swift progress for all. All pupil work is recorded in a special book which is available for you to see whenever you would like, and which we encourage parents to add to.

"We have space that inspires, and shape

Our Early Years provision
was highly commended
in our most recent
Ofsted inspection.

...both understanding and excitement"

“The outdoor area is organised particularly well, with a wide range of activities which **children can explore independently and are linked to the current topics and themes.** The ‘mini-beasts’ area was very popular and was promoting considerable discussion around identifying different insects and recording the differences through pictures and writing.”

Ofsted, June 2017
