

# Year 5 Weekly News Round-up

## Swimming

Next week we are excited to begin our two week block of swimming at The Aquatic Centre in Stratford.

We will be leaving school at 10.00am and returning at 13.00.

Children must bring: a swimming costume or trunks, a swimming cap and a towel. They can bring goggles as an optional addition.

If you would like to join your child and assist us on the journey, we would love to welcome any parent volunteers. Please arrive in the office at 9.45 on Monday if you would like to join us!

Once again, we are thrilled to congratulate our Year 5 pupils for their hard work, effort and achievements this week! They have really settled into the expectations of Year Five and are showing all of the Willow Brook values in all that they do. We were especially proud of their efforts during assemblies this week. They were calm and listened attentively – Miss Dawn has said that they are the most responsible Year Fives she has ever had at Willow Brook!

This week we have collated vocabulary and built sentences in preparation for our big write next week. During our morning lesson, we will be writing a diary entry from the perspective of our protagonist in our text 'The Arrival.' Mr Peacey has been impressed with the children's ability to share ideas and is looking forward to seeing this come to life in their pieces.

Across the rest of the curriculum, we have explored the orbits of the moon and the earth in Science, had explosive debates about the gunpowder plot in History and used our angelic voices to light up our halls in our weekly singing assemblies. Well done Year Five for another outstanding week!

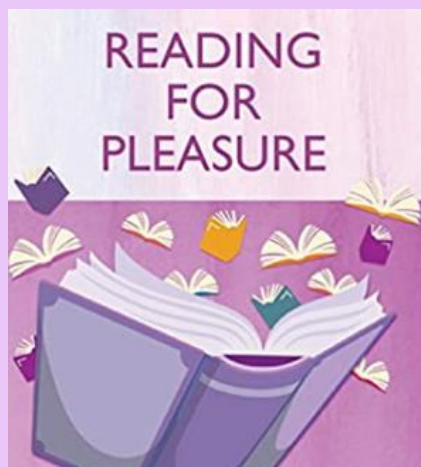

### ARTICLE OF THE WEEK

#### Article 22 (refugee children)

If a child is seeking refuge or has refugee status, governments must provide appropriate protection and assistance to help them enjoy all the rights in the Convention. Governments must help refugee children who are separated from their parents to be reunited with them.
