

Year 6 Weekly News Round-up

Important information:

PE is every Tuesday and children should come dressed in their PE Kit: black trouser and a white top.

If you would like your child to walk home alone, please give permission to the office.

Children are welcome to bring in healthy snacks for break time.

Please bring sign your child's permission slip for Saturday School and return to the office.

Once again, it is with immense pride and admiration that we have to congratulate our Year 6 students for their hard work, effort and achievements this week! They are really showing that they have earned their places at the top of our school with their dedication and amazing attitude towards learning. They have begun working in groups this week – working with different expert teachers across Year 6. All of the Year 6 team have noticed that their learning behaviors are exemplary and Miss Dawn has commented that they are the most calm and well behaved cohort that we have had at the top of our school! Keep up the good work!

This week we have begun writing our character descriptions of The Witches in Macbeth with children using a range of literary devices to bring their gruesome descriptions to life! We have rounded decimals in Maths with children pushing themselves in every lesson. It is lovely hearing them asking for harder challenges and thoughtfully discussing reasoning problems with their learning partners.

Across the rest of the curriculum, they have practiced their sketching in art (concentrating on depicting realistic portraits), explored reflection in Science and thought of challenging questions to explore in History. We are incredibly proud of them this week and hope that they have a restful weekend.

Article 28 - right to education

Article 22 (refugee children)

If a child is seeking refuge or has refugee status, governments must provide appropriate protection and assistance to help them enjoy all the rights in the Convention. Governments must help refugee children who are separated from their parents to be reunited with them.

Reading Challenge: If you were your favourite character in the story you are reading, what advice would you give to others? What can you learn from the story you are reading.

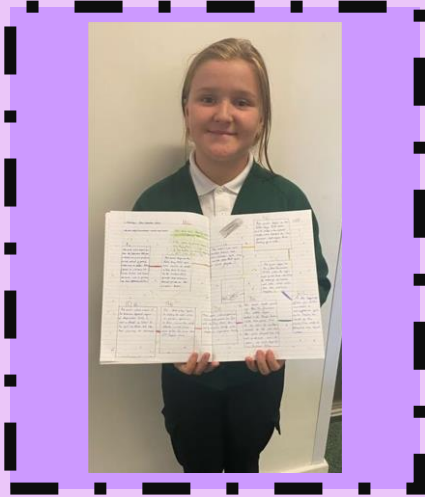

Quote of the week: "Believe you can and you're halfway there."

Year 6 – Reflections

Year 6 would like to share some pieces of work which made them proud this week...

I am incredibly proud of the timeline that I created in History which shows all the important parts of WW2!

I am so proud of my hard work in maths. I worked with a partner to challenge myself!

Quote of the week: "Believe you can and you're halfway there."
