

Weekly Update

Autumn 1

Issue 03

Friday 19 September 2025

Dear Willow Brook Families,

This week, our focus value has been Creativity. In assembly, Mr Delivett shared the story *The Crayon Box that Talked*, reminding us that creativity isn't just about being good at art, it's about thinking differently, solving problems, and finding new ways to work together. Pupils have really embraced this throughout the week: from imaginative writing in Year 2, to inventive science investigations in Year 4, and creative problem-solving in maths challenges across Key Stage 2.

We were also delighted to welcome so many of you to our Curriculum Evenings. We hope families in Years 1–5 enjoyed the chance to explore classrooms, see some of the learning ahead, and meet with our teaching teams. In our introduction, we shared our vision of Parents as Partners, we are here to support and work with you so that every child can thrive in every way at Willow Brook. As always, our doors are open, so please do reach out to any member of staff if you have questions or ideas to share.

Our wide and rich range of after-school clubs returned this week. From choir to coding, football to fine art, there is something for everyone. We are especially grateful to families who have stepped forward to support these opportunities. A particular highlight is our very first parent-led club, Marvellous Mechanics! Pupils have begun learning the intricacies of renovating and repairing our school bikes. No more squeaky brakes or clunky gears, thank you, Mr Matt, for sharing your skills with us.

We launched our first Inclusion Coffee Morning today. These friendly, informal drop-ins will run every Friday, 9:00–10:00am. It's a space to connect with other families, share experiences, and explore support available in school. If you have any questions or would like to know more, please reach out to Ms Chivers.

Finally, keep an eye out for an extra email today with our new Parent Information Booklet, which brings together all the key details you may need for the year ahead.

Best wishes,
Lucie Dawn
Head of School
