## Learning this week

Hello Year 1 Families,

It has been an exciting week for all as there has been great learning going on in year 1.

In English, we started a new book called 'Lost and Found.' The book is about a boy and a penguin and their growing friendship. We orally re-told the story using actions and created a story map to help us remember the story.

In Maths, we have been learning about lengths and heights. Children were able to discuss and compare objects using keywords such as, short, shorter, long, tall, taller, length and height.

Our focus in PSHE this term is communication and problem solving. During carpet time children discussed what you should say if you are feeling uncomfortable with what someone is doing or saying to you. Many children were quick to acknowledge that they should tell a trusted adult immediately.

Well Done Year 1, Keep up the good work!  
Adios!
